

**CONSTRUCTION - WORK EXPERIENCE RATING:**

Participants can have work experience ranging from none to professional. We will try to take this information into account as we assign you to a project, so please give an accurate assessment of your experience. (You might be asked to bring portable tools to the mission site that will enable you to use this experience.)

Use the following number guide to indicate your experience level in each category below. If you are under 18 years of age and mark yourself as having Medium Experience (level 3) or Advanced Experience (level 4) in any area, you must have your parents sign on the line below the rating.

0-No Experience; 1-Low; 2-Medium; 3-Advanced; 4-Professional
