I am almost in my house !...one more inspection and it should occur this week. I am so close I can taste it!! PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!.....I am gearing up to personally "PUSH" this FEMA travel trailer out of my yard. IF I had money I would hold a parade throwing beads and doubloons with the Marching 100 from St Augustine High School playing behind it as the travel trailer goes down the street. It has been a very challenging 3 years and 4 months so far. The day I actually get in I may call CNN to televise it! (ha ha ha) Stay tuned....

Ladies and Gentlemen ,it is with GREAT pleasure that I announce that I will sleep in my OWN home, in my OWN bed in comfort tonight 12/19/2008 !! HALLELUIAH!! Praise be to God !! It has been a long, arduous, faith testing 3 years 3 months and 22 days. I can barely contain my joy. I only wish that Kerry and Fred were here to share the joy and excitement and gratitude. Thank YOU for your continual encouragement, prayers, and support through this very difficult time. And thanks for the role that you played in physically moving me closer and closer to this joyous day!

With gratitude, Ingrid
